

## Checklist for Voluntary Energy Rating Labelling Program for Swimming Pool Pump-Units

The following checklist must be completed for all applications for participation in the Voluntary Energy Rating Labelling Program for Swimming Pool Pump-units. Applications must include:

- Two registration forms –
  - (i) Appendix C of the *Rules for Participation* document, AND
  - (ii) Appendix C of the Standard AS5102.2
  
- Test reports submitted using Appendix A in Standard AS5102.1. At least three pumps must be tested. If you have the results in an excel sheet you may submit these along with Appendix A of the Standard AS5102.1.
  - For single speed pump-units, test reports for each pump-unit must be submitted.
    - For a single speed pump - unit, a total of 3 test reports must be submitted.
  - For dual speed pump-units, test reports for each speed of each pump-unit must be submitted.
    - For a dual speed pump - unit, a total of 6 test reports must be submitted.
  - For multi speed pump-units, test reports for each speed of each unit must be submitted.
    - For a 3 speed pump-unit, a total of 9 test reports must be submitted.
  - For variable speed pump-units, test reports for each pump-unit must be submitted.
    - For a variable speed pump - unit, a total of 3 test reports must be submitted.
  
- Instrument detail form provided in Appendix B of the Standard AS5102.1
  
- For multi-speed and variable speed pump-units, consumer information (e.g. brochure or manual) recommending the speed at which the unit is rated, as the normal operating speed.
  
- Provided Checklist.

When your application is received, an editable template of the energy-rating label will be sent to you. The label you intend to display on the product must then be sent back to the Department for final approval.

Please ensure that all documents are attached and have been correctly filled out. Attach a signed copy of this checklist to the front of your submission and submit it to [poolpumps@industry.gov.au](mailto:poolpumps@industry.gov.au).
